### **Free Wi-Fi High-Speed Internet Access at Rosedale on the Park**

*Fast, reliable and user friendly. You can now surf the web “FREELY”*

**Hong Kong, January 09, 2008** – Rosedale on the Park is pleased to provide free Wi-Fi high-speed broadband service. The Wi-Fi technology offers guests a stable and reliable access to Internet without wire limitation. The Wi-Fi hotspots can be found at the Hotel Lobby, the Executive Floors and the two Restaurants. Guests can enjoy the service at these designated areas free of charge.

Rosedale on the Park is the first hotel in Hong Kong participating in Wi-Fi program ([www.wi-fi.org](http://www.wi-fi.org)) by using Wi-Fi CERTIFIED equipment for High Speed, High Quality and User Friendly Internet Access. Free Wi-Fi service is provided at the Executive Floors and Restaurants where the Wi-Fi logo is found.

The recently refurbished rooms at the Executive Floors, located from level 25/F to 32/F, are designed in a contemporary luxury style and surrounded by modern dark wood and rich color tone. The rooms are well equipped with free Wi-Fi service and LCD TVs to enhance guests' enjoyment. With the installment of Wi-Fi hotspots, the high density of access point offers guests connection to the Internet anywhere in the Executive Floors. It is easy to use and guarantees a smooth and stable connectivity.

Free Wi-Fi service is also available at the Hotel lobby and the two Restaurants, Cheena Elite Chinese Restaurant (2/F) and SkyZone Restaurant & Lounge (33/F). Guests can keep connected to the rest of the world by using Wi-Fi enabled devices such as notebook computer, PDA, pocket PC phone and Smartphone etc. Just send out an urgent email or chat up with friends at fingertips while enjoying a selection of cocktails and delicate snacks with the spectacular harbour view.
