Rosedale Hotel Group Launches New Corporate Website

Portal provides instantly-confirmed room reservation facility, special promotion packages and a wealth of information on Rosedale Hotel Group

Hong Kong, May 02, 2007 – Rosedale Hotel Group is pleased to announce the launch of its new corporate website **www.rosedalehotels.com**, which is empowered with an instantly-confirmed room booking facility, along with updated information about each of the three Rosedale hotels managed by the company in Hong Kong, Guangzhou and Beijing.

Combining professional design elements with easy navigability, the website's prime highlight is an online hotel reservation service, where guests can book direct with the Rosedale Group to enjoy attractive rates available online. Moreover, it offers the flexibility of choosing from all room types, according to one's specific budget and lodging preferences. **www.rosedalehotels.com** is also a directory of useful information such as major conferences and exhibitions in town, special room promotion packages and dining promotions.

Rosedale Hotel Group is a dynamic and growing organization headquartered in Hong Kong, where it manages **Rosedale on the Park, Hong Kong**, a 274-room boutique hotel at the heart of Causeway bay and overlooking the world famous Victoria Harbour. In China, it manages the 399-room **Rosedale Hotel & Suites, Guangzhou** and the 447-room **Rosedale Hotel & Suites, Beijing**. All these establishments offer their guests with complimentary broadband access.

In its mission of providing "Consistent Comfort and Care" with an exceptionally high service standard, the Group will continue to cultivate its expanding core of loyal, satisfied customers who will patronize Rosedale hotels repeatedly, due to the dedicated services and value offered.
